#### *Presentation of the entity:*

The mission of HOME.A3 is to develop and implement DG HOME's external policies on migration and security, thereby contributing to (1) formulating and applying coherent and comprehensive EU external strategies and actions which adequately reflect the EU's migration and security priorities and objectives, (2) providing coherent and consistent responses to key migration and security external challenges facing the European Union, (3) promoting the rights and values underpinning the area of freedom, security and justice in relations with third countries, and (4) the EU becoming a stronger and more visible global actor in the areas of migration and security. To this effect, HOME.A3 activities aim to:

- Coordinate, under the overall strategic guidance of the Director-General, the activities of all relevant policy units within DG HOME that formulate and develop sectorial external policies, and inter-alia the units dealing with visa policies, legal migration, asylum, readmission agreements, border management, prevention and countering of terrorism, police cooperation, organised crime and drugs policy, cybercrime.
- Bring all migration and security priorities and objectives more systematically and concretely into EU external strategies and action, and to cooperate and coordinate with other concerned EU services to create synergies across thematic, bilateral, regional, global portfolios in order to achieve the EU's goals on the global migration policy as well as to address the common security challenges.
- In line with the EU's overall external policies:
  - (1) To lead migration and mobility dialogues in order to build strong and sustainable partnerships with third countries, based on mutual trust and shared interests;
  - (2) To effectively implement the EU's external security policy. In this context, to create and maintain alliances with third countries and in international fora, and support partner countries' efforts to strengthen security;
- Ensure an effective implementation of the EU's external migration and asylum policy, as laid down in the respective policy documents. In this context, to support partner countries' efforts to ensure a better migration and border management as well as improved protection and reception capacities as well as return & readmission with a view to helping these countries fulfil their international obligations, in full cooperation with the relevant policy unit;
- Contribute with policy input to the planning, programming & implementation of the applicable financial programmes under the responsibility of DG HOME through shared management with Member States and centralised management by the Commission, as well as to the link with the relevant financial programmes with external migration and security dimensions of other Commission services.
