SUBJECT: **NHQ SARAJEVO POST VACANCIES – NATIONAL CONTRIBUTIONS**

Your Excellencies:

1. NATO Headquarters Sarajevo (NHQ Sa) is a facilitator for reform in defence and security structures, which includes coordinating NATO programs and activities. NHQ Sa also supports the authorities of Bosnia and Herzegovina more broadly in their effort to build the capacities essential to achieving the long-term objective of European and Euro-Atlantic integration.
2. The NHQ Sa Crisis Establishment (CE 21.0) which came into effect in OCT 2020 resulted in the creation new posts outlined within the enclosure. These new senior level advisory posts will assist NHQ Sa in providing support to BiH Defence Reform efforts and to maintain a strong partnership with AFBiH and other government institutions. The areas of focus include NATO Advisory tasks related to Defence and Security Sector Reform specifically related to military procurement, military facilities and property management as well as military training.
3. In order to continuously build momentum in the provision of Defence Reform related tasks, I would kindly request that you forward this request to the appropriate National Chain of Command/authority in order to gauge your Nations interest and bidding for these positions.
4. Point of Contact at NHQ Sa for this issue is Mr. Robert BUSSE, J1-CHRM, at ext. 5008 (robert.busse@nhqsa.nato.int).

Very Respectfully,
